

Update EUROFORGE conFAIR and other global forging events

EUROFORGE conFAIR postponed to 28-29 September 2022!

Due to the pandemic situation and the uncertainty of the coming months, the organising committee decided to postpone the conFAIR to 2022.

The new date for the 2nd EUROFORGE conFAIR is 28-29 September 2022. The conFAIR will take place in the same venue, Euskalduna Conference Center in Bilbao, Spain. We all look forward to meeting our forging family in person again. This highly anticipated conference and fair will be worth the wait.

Meanwhile, we will keep you up to date with the **EUROFORGE conFAIR Sneak Peek**, taking place on **22 September 2021**, online. Please save the date and watch out for more information!

Other global Forging Events:

- Midest on 6-9 September 2021 in Lyon, France
- FIA Forge Fair on 26-28 October 2021 Detroit, Michigan, USA
- IFM (International Forgemaster Meeting) on 16-22. September 2022 in China
- IAA Commercial Vehicles on 20-25 September 2022 in Hanover, Germany
- Asiaforge Meeting which will be held by CCMI in 2023 (exact date to be defined)
